

## **School Nurse Support Group Meeting March 5, 2008**

The February meeting of the school nurse support group was held at the Stark County Health Department where we viewed a web cast on Stalking and Teens. This web cast was sponsored by the National Center for Victims of Crime and the Stalking Resource Center. A copy of the PowerPoint slides from the presentation is attached in the email that you received or also available on the Stark County Health Department's website under programs and school health and safety. The appearance of the school health and safety web page is currently under construction and may be changing in the next few weeks.

The next meeting will be held on April 2, 2008, at the Stark County Health Department. The speaker for this meeting will be Kendal Smith a dietician from Akron Children's Hospital's. Kendal is coming to talk to us about Diabetes and Carbohydrate counting. If you have any questions please contact me at (330) 493-9928 ext 245.

Hope you all had a great spring break and we will see you in April.

Thanks

Christina Gruber RN
